Today we laughed a lot in class. Our teacher played a movie about the story of a funny donkey. In the movie, the donkey played in the playground with all the students. Then a student wanted to ride the donkey. The donkey started running around and dropped her in some leaves. The girl cried in the story, but I laughed and laughed because it was a good story. I liked the story a lot, but I think my favorite story is about a man who lived in the forest. He didn't like other people, he preferred animals. There weren't any trees on the mountain where he lived. So every day, he planted a tree. After a lot of years, he created a beautiful forest for all the animals to live in.
