

3 Read the text and choose the correct option.

The weather changes every day. It can be ¹ sunny and warm or cloudy and cold. When it's ² cloudy, there are many clouds in the sky, and it might rain. In ³ cold weather, wear warm clothes like a jacket, hat, and gloves. You might feel the ⁴ wind blowing, which can make you feel colder. On windy days, hold onto your hat! After it rains, you might see a ⁵ rainbow. They happen after rain. So if you see a rainbow, it means the rain stopped and the ⁶ sun is shining again!

- 1 a sunny
- 2 a cloud
- 3 a warm
- 4 a wind
- 5 a cloud
- 6 a sunny

- b sun
- b clouds
- b cold
- b windy
- b rainbow
- b sky

- c shining
- c cloudy
- c hot
- c sun
- c sky
- c sun

4 Look and write.

I took this photo this morning. It was very early, and it was very ¹ cold, but I decided to walk to the lake. You can see that the ² sun is low in the sky. It is coming up over the lake. The lake is deep, but it has ³ ice on it. The ⁴ sky looks pink, and there are a lot of ⁵ clouds. There's snow at the edge of the lake. I like snow and ⁶ cold days.
