My favorite story is *The Country Mouse and the City Mouse*. One mouse lives in the country, and one mouse lives in the city. The City Mouse visited the country, but didn't like it very much. She then invited the Country Mouse to visit her in the city, where there is a lot of water, but they were scared because there was a lot of noise. My favorite part of the story is when they climbed on a chair to eat a lot of food, but then the Country Mouse decided to leave and go back home where it's quiet.
