2 Listen and read.

It's Peter's older cousin's high school graduation, so Peter and his cousin Daisy went shopping because they wanted to buy him a present.

First, they went to the bookstore, but ... "I think Charlie wants a video game," said Peter. "There's a new store that sells video games," said Daisy.

When they left the bookstore, Daisy saw a little cat. "Look, Peter!" She looked around for the cat's owner. "Come on," said Peter. "Let's get Charlie's present."

They found a video game for Charlie. It was 20 dollars. They bought the video game and left.

They decided to walk home. They talked about Charlie's high school graduation. They didn't see the little cat behind them.

"We're home!" Charlie, Lily, and Sophie came to the door. "You bought Charlie a cat?" asked Sophie. "Oh, no! The cat followed us from the shopping mall," said Daisy. "We have a surprise for you, Mom!" said all the children at once.
