

Listening and Speaking

1 Look at the pictures and name the vegetables and flowers you know.

2  Listen and answer the questions.

- 1 What did Sam do at school? a gardening project
- 2 Where did the class get the idea? They watched a video from a blogger.
- 3 What was the problem? Some students do not want vegetables, and some do not want flowers.
- 4 How did they solve the problem? The teacher said that you can plant both.
- 5 How did they get the seeds? Mr. Smith went shopping for seeds.
- 6 What did Sam plant? Tomatoes.

3 Ask and answer with your partner about your after-school activities.

- 1 What after-school activities do you do?
- 2 Do you do the activity every day?
- 3 What is your favorite activity?
- 4 Is there an after-school activity that you'd like to try?

Social and Emotional Learning

Read and discuss.

- 1 Do you tell everyone what to do when you work with others? Why?
- 2 Do you try to work with everyone or only with your friends? Why?
- 3 When a classmate has a different opinion, do you respect their opinion or tell them they are wrong?
